

# Fourth Grade Curriculum Night

*Mrs. Chín*

## Math

### I. Textbook: Saxon Mathematics 6/5

- 5 Lessons, then 1 Test (however Test #1 will not be given until we have covered the first 10 lessons)

### II. Timed Tests 2 – 3 each week (graded) (5 Minutes for 100 problems)

- 1<sup>st</sup> Quarter Addition and subtraction
- 2<sup>nd</sup> Quarter Addition, Subtraction and Multiplication
- 3<sup>rd</sup> Quarter Addition, Subtraction, Multiplication & Division
- 4<sup>th</sup> Quarter Addition, Subtraction, Multiplication & Division

### III. Weekly daily grade- in class assignments and spot checks

How grading is weighted:

10%: -Timed tests

- Homework- will be graded based on completion of the assignment NOT accuracy.

50%: In class assignments

40%: Test

## Social Studies

We will be using the Scott Foresman social studies book, Texas, this year in fourth grade. Each Chapter will take 2 – 3 weeks to cover. We will incorporate Texas history with many different activities into our curriculums, from power points, to smart boards to various hands on projects and much more. We endeavor to incorporate many different learning styles, both through our instruction and our assessments.

How grading is weighted:

50%: Daily Graded assignments

40%: Test

10%: Other (Primarily mapping skills assessments)
